AllPayer workflows

Choose from **NaviNet AllPayer Basic**, **Premium**, and **Ultimate** subscriptions. Your choice determines which AllPayer workflows are available to your office.

Claim Submission

NaviNet AllPayer Ultimate is the only subscription that includes access to claim submission, management, and tracking.

- With our robust clean claim rate, submit claims manually or by batch. Manage, and track claims to Highmark, Horizon, and **8,100+** other organizations—including payers, ASO groups, and third-party administrators.
- Keep claims simple and cost-effective. Our competitors charge a fee for each provider submitting claims. We don't!
- Includes reports, uploading member information, and multi-payer support.

Eligibility & Benefits

NaviNet AllPayer Basic, **Premium**, and **Ultimate** subscriptions all include access to eligibility and benefits.

- Enjoy quick patient eligibility verification for **1,270+** plans, including commercial, Medicaid, and Medicare.
- Access detailed information about covered services.

Claim Status Inquiry

NaviNet AllPayer Premium and **Ultimate** subscriptions include access to claim status tracking.

- Track claim payment and status information for **660+** plans.
- Follow up on claim status without calling plans or signing into other portals.
